SPECIAL THANKS AND LOVE TO OUR MESSIANIC
COMMUNITY FOR THERE SUPPORT.

In the beginning God created the heavens and the earth. (Genesis 1:1) In the beginning (Time) God created the Heavens (Space) and the Earth (Matter). God created time, space, and matter in the very beginning. This is important to know, as our story will show how the littlest star, went very far, for our story begins on heavens solar winds, with a little star named Epoh!

Now Epoh was tiny, so tiny in fact, he could easily ride the solar winds on his back and that's how he traveled, this way and that. Till he heard an announcement, that would change everything in fact! He paused very briefly, put his ear to the floor, and heard the Creator, it was a miraculous ROAR!

There is so much more to this amazing story. We will have it available to purchase shortly. Stay Tuned.
